This at one tify that, about eletteen months ago, I commenced a ing Steminol's America. My hair was short, thin and rapidly falling out. I had tried many Hair Tonics, invigorators, &c., without receiving any beneal. Soon after using the Ambrosia my hair ceased falling out, and commenced growing so rapidly as to stoulah me. Now my hair is thick, soft and glossy, and is fire feet foor inches in length—west let down reaching the floor. This wonderful result I attribute solely to the use of Strains's America, as since I commenced using it I have applied nothing else to my hair.
